Sums Insured and Claims Notification

Sums Insured and Indemnity Limits

You will be responsible for ensuring that all sums insured, and indemnity limits are adequate for the cover requested. We will advise You of the basis of calculation for sums insured and will, on request, give You details of external experts, such as surveyors and valuers, which You may wish to consult. The following information on calculating business interruption sums insured is given for guidance, but You should always seek specific advice from us if You are in any doubt as to what should be included.

Average

In the event of under-insurance, Insurers may reduce the amount of any claim settlement in the same proportion as the sum insured bears to the total value of the insured items.

Information on Business Interruption/ Loss of Profits Insurance

Several types of cover exist for Business Interruption cover, which is sometimes referred to as Loss of Profits insurance;

Gross Profit basis (usual for manufacturers, retailers etc); Gross Revenue basis (normally for consultants, professions); and Increased cost of working (ICW) basis, for businesses that believe there would be no loss of profit or revenue in the event of a claim, but would need to cover increased trading costs until the claim is settled.

NB 'Accounting Gross Profit' and 'Insurance Gross Profit' are not the same thing.

Where Your policy includes this cover, the Sum Insured for 'Gross Profit' should normally be calculated using the following method:

Annual turnover *plus* year-end stock and work in progress; *less* opening stock (and work in progress) and purchases, bad debts and uninsured variable expenses (such as the purchase of raw materials or shipping costs)

Gross Revenue insures the total turnover without deductions and Increased Cost of Working is based on projected additional costs of temporary relocation and other forecast additional costs.

Business interruption sums insured should then be adjusted to take into account the indemnity period (eg. doubled for 2 years indemnity period)

Our Service and Obligations to You

We will conduct a fact-find to evaluate Your insurance needs with the member of Your business that You choose to nominate as Your Insurance Contact (as stated in the Declaration below), who will be responsible for ensuring that Your disclosure obligations to insurers are met.

Please contact Us immediately if You wish to change the person in Your business nominated as Your Insurance Contact.

We will act as Your agent in sourcing a policy to meet Your demands and needs and presenting the information provided by Your nominated Insurance Contact in a manner which is clear and accessible to insurers. Where we operate under any delegated authority from insurers we will act as their agent when issuing cover and in handling any claim You may make, and We will always advise You where this is the case.

We will advise and make a personal recommendation for You after We have assessed Your demands and needs. Our advice will be confirmed in a demands & needs and suitability statement, giving the reasons for Our recommendation. . We do not accept responsibility for the solvency of any insurer recommended.

We may only deal with a limited panel, or single insurer and we will advise You of the identity of the insurers considered. We may use another, specialist, intermediary to access the insurance product that most suits Your needs. We will always inform You where this is the case.

We usually receive commission from the insurer, which is taken from the amount You pay, and from the premium finance provider with whom We place Your business and, in addition, We will normally make the charges as shown in our Terms of Business Agreement to administer Your policy, but the specific charges applicable to Your policy will be included in Our Remuneration Statement. Prior to the conclusion of each insurance contract, or upon renewal, We will remind You of Your right to be advised of the level of commission which We receive from underwriters. You are entitled, at any time, to request information regarding any commission which We may have received as a result of placing Your insurance business.

Cancellation of this Agreement

This agreement will remain in force unless cancelled by either party in accordance with the terms below or You have no insurance business placed through Us. You may cancel the agreement at any time, subject to notification in writing to our usual office address. In the event of cancellation, We shall be entitled to retain any commissions and fees earned prior to the date of cessation of the agreement in full. We have the right to cancel this agreement subject to 7 days notice in writing to Your email or last notified address.

Your Responsibility to Provide Information (Duty of Fair Presentation of Risk)

You have a duty under the Insurance Act 2015 to make a fair presentation of the risk to insurers. This duty applies when You take out Your insurance cover, throughout the life of Your policy, and when You renew Your insurance.

This duty includes a need for You to undertake a reasonable search for *material information* which is known, or ought reasonably to be known, by anyone playing a significant role in making business decisions in Your business (such as Your company's principals, directors, senior management or shareholders) and staff responsible for arranging or administering Your firm's insurance.

You should advise Us of any particular concerns which led You to seek insurance cover and any special or unusual facts relating to the risk.

You must ensure that all *material statements* of fact are substantially correct and not misleading, and any *material information* which is a matter of expectation or belief (eg. an estimate or forecast) is provided in good faith.

Failure to disclose any material information or change in circumstances to Your insurers which could influence the cost, or their decision to accept Your insurance, could mean that Your policy could be invalidated or cancelled without refund, or that part or all of a claim may not be paid. 'Material Information or changes in circumstances' could include Your inability to comply with any conditions or warranties applicable to Your policy, which should be notified to Us immediately.

'Material statements' and 'material information' are information which could influence the judgement of a prudent insurer in determining whether to take on a risk and on what terms.
